

‘To provide access to the outdoors for all, especially the young and those who would otherwise not have the opportunity.’

COVID-19 STATEMENT

Updated 31/03/20

We sincerely hope that all friends of Mount Cook, our customers, their friends, family and colleagues, are keeping well at this difficult time.

In line with the current Government advice, we have regrettably had to close Mount Cook Adventure Centre to both customers and staff from close of play on the 20th March until the 1st June 2020, when we currently hope to return to our normal operation.

As the advice has been changing at speed over the previous weeks, we will of course keep assessing the situation as things progress and update all affected customers with any changes.

The majority of the Mount Cook team have had to be furloughed, therefore unfortunately we have a highly reduced capacity to respond. Our main inbox will still be monitored so please send any questions or correspondence to explore@mountcook.uk and we will endeavour to respond as quickly as possible. We apologise in advance for any delay and inconvenience caused.

Please do keep in contact with us where possible, and we really look forward to hopefully resuming our full operation as soon as we can.

In the meantime, stay safe, stay healthy and continue to enjoy your daily time in the outdoors! There are many adventures to be had on our doorsteps.

The Mount Cook Team
